

Pyure Blends

all natural • calorie-free
stevia sweetener systems

Food & Beverage Applications

Pyure Blend SM
STEVIA | MALTODEXTRIN

Pyure Blend SE
STEVIA | ERYTHRITOL

PyureBlends is a proprietary sweetener system blended with Pyure Elite, specifically formulated for food and beverage applications. PyureBlends provides all the benefits without the limitations common to stevia extract for industrial manufacturing.

Advantages:

- Formulated with Pyure Elite Reb A 98% (GRAS), FDA guideline-approved extract
- PyureBlends offers approximately 15-30x the sweetness of sugar
- Excellent solution for natural, sugar-free and calorie-reduced products
- Heat stable
- Free-flowing & measureable
- Cost-effective
- Custom blends available

Certifications:

- AIB (Superior Rating)
- GMP
- Kosher (OU)
- HACCP program
